# ARE YOU READY FOR AN INCREDIBLE JOURNEY?

**Some trips are 'more than just a holiday' – they're an experience, an adventure, an Incredible Journey.**

Whilst sometimes we all just need to fly away and flop on the beach to restore and rejuvenate, an adventure can be just as restorative for the soul. The chance to fully remove yourself from day to day life and get out there and discover something new, immersing yourself in another culture or experiencing a new activity can make a break feel twice as a long... so are you ready for a little more adventure?

Incredible Journeys by Gold Medal brings together multiple destinations, modes of transport, touring styles and unforgettable experiences to excite and inspire those who are looking for more from their holiday.

Our experts will work with your travel agent to create your very own Incredible Journey, flying with the world's leading airlines and travelling with an amazing range of trusted partners.

**No matter the destination, adventure and incredible moments await.**

## INDEPENDENT TOURING

Strike the perfect balance between organisation and freedom with an independent tour. You can either pick from a pre-set itinerary or we can help you create your very own. Either way the finer details such as your accommodation and transport will be arranged before you travel, so when you get there you have the freedom to soak up as much as possible and enjoy the journey.

## ESCORTED TOURING

An escorted tour is a great way to cover a lot of ground and see as much as possible on your holiday. The itinerary is pre-set so you don't have to worry about working out where to go and how to get from A to B – all the hard work is done for you. You can just sit back, relax and experience all that's on offer!

## SMALL GROUP JOURNEYS

If you like the idea of travelling with a like-minded group of people and sharing the experience and adventure, then a small group journey may be just the ticket. Group sizes are limited to around 16 passengers and trips are often categorised so guests can pick a style to suit them, such as family, wellness, active or younger ages. There's also a style to suit all budgets from cheap and cheerful accommodation through to moderate and luxury.

## SELF DRIVE

Take to the open road! A self drive holiday is the perfect way to discover a destination – all on your own timetable. We have a range of suggested itineraries to help you minimise the planning and organising, or if you have a set route in mind we can tailor-make your trip to your exact specifications. Accommodation can be pre-booked in advance for peace of mind but the rest is up to you – choose what time to set off, when to take a break, and feel free to pull over to explore if you pass a place of interest. That's the freedom afforded with a self drive holiday.

## RAIL & CRUISE JOURNEYS

Some of the world's most iconic experiences feature amongst our rail and cruise journeys. Switzerland's Glacier Express, Japan's bullet trains, Canada's Rocky Mountaineer, as well as cruises to the Galápagos and the polar ice cap of Antarctica are just a few of the unforgettable experiences we offer.

**We can book much more than just flights and hotel stays....**
